You're a Star-Belly Sneech you suck like a leech

You want everyone to act like you

Kiss ass while you bitch so you can get rich

But your boss gets richer off you

Well you'll work harder with a gun in your back

For a bowl of rice a day

Slave for soldiers till you starve

Then your head is skewered on a stake

Now you can go where the people are one

Now you can go where they get things done

What you need, my son

What you need, my son

It's a holiday in Cambodia

Where people dress in black

A holiday in Cambodia

Where you'll kiss ass or crack
