

# DISCHARGE MEDLEY

## [Decontrol]

[INTRO: Drums]

C D D# X 2

They fill you up with their fucking lies you're the victims of government schemes  
They take liberties they've no right to take and you're led to believe they're oh so right  
They only show concern when war is declared cause you're their power and glory  
This whole affair is so fucking unfair It's so fucking sick

C D D# X 3
