

## GENERALS (GBH)

A \_ A \_ C \_ G [X 4]

This means war [*on 4<sup>th</sup> one*]

[*Same strum we're doing for Love Song from now on*]

A \_ A \_ C \_ G [X 4]

A \_ A \_ C \_ G

Lead you into victory, hear the generals say  
Never look behind you, with you all the way  
Go to bed early, conserve your energy  
Tomorrow we'll be fighting with our enemy

E /// E /// E /// E ///

A \_ A \_ C \_ G

Polish your boots, clean your gun  
Killing those bastards will be a lot of fun  
Take no prisoners, kill them all  
Start to march when you hear the call

E /// E /// E /// E ///

[*CHORUS X 2*]

A \_ A \_ C \_ G

Britain needs you  
Britain needs you  
Britain needs you to die for her

A \_ A \_ C \_ G [X 4 *Chunking the A*]

A \_ A \_ C \_ G

March into victory, march in the mud  
Fight for freedom, fight in the blood  
Dead bodies all around, told to carry on  
Death is not right, war cannot be won
