[VERSE 1]

D# G# F
He wants your soul if there's money in it
And if there's not you can go to hell
Angels sing for the Christian image
So give him your money or your body to sell

[CHORUS]

[VERSE 2]

D# G# F
Christ almighty so goddam cheap
Using choirs of smiling kids to build up his keep
So onward Christian soldiers go and fight his wars
Manipulate the people for the Christian cause
