

WHERE EAGLES DARE - MISFITS

drums & bass X 2

A // // // // G X 2

A G
We walk the streets at night
We go where eagles dare
They picked up every movement
They pick up every loser
With jaded eyes and features
You think they really care

C F G C
I ain't no goddamn son of a bitch

F G
You better think about it, baby

C F G C
I ain't no goddamn son of a bitch

F G
You better think about it baby

A // // // // G X 2

An omelet of disease
Awaits your noontime meal
Her mouth of germicide
Seducing all your glands

CHORUS

A // // // // G X 2

Let's test your threshold of pain
Let's see how long you last
That's happened in your rape
On bosoms of your past

With jaded eyes and features
You think they really care
Let's go where eagles dare
We'll go where eagles dare

CHORUS X 2

C /// F / G / C
