

Fight Song

D / A / G / A X 3

D / A / G [stop]

D

Hey why don't you kick me when I'm down

A

I haven't slept for weeks

G

You can slap me in your face with your dirty tricks

D

A

And I'll turn the other cheek

D

You can call me a whore and a whole lot more

A

Like I give a shit

G

You can trash my place, spit in my face

D

A

You'll never destroy me

[CHORUS]

D

A

Because I'm strong and I am free

G

D /// A

And I am proud of being me

D

A

And I will win because I'm right

G

D /// A

And I'm not afraid to fight

D / A / G / A X 2

Hey why don't you turn up drunk

And shout some more abuse

We've broken everything we had

There's nothing left to lose

You can turn your back, walk away, sniff another line
How many drinks will it take to convince yourself you're fine

[CHORUS]

 D A
But I'm strong and I am free
 G D /// A
And I am proud of being me
 D A
And I will win because I'm right
 G D /// A
And I'm not afraid to fight

[VERSE NO SINGING - simple fiddly bit which I'll show you]

[CHORUS]

[Quietly]

Hey why don't you kick me when I'm down
I haven't slept for weeks
You can slap me in your face with your dirty tricks
And I'll turn the other cheek
You can turn your back, walk away, sniff another line
How many drinks will it take to convince yourself you're fine

[CHORUS]

 D A
Because I'm strong and I am free
 G D /// A
And I am proud of being me
 D A
And I will win because I'm right
 G D / A / G / A
And I'm not afraid to fight
 D / A / G / A
I'm gonna fight
 D / A / G / A
